

## Planning a Wedding? Then We Can Help! Sunday 6<sup>th</sup> October

An exciting new venture planned for the New Beaconsfield Hall in Shipton is a Wedding Fair, with the emphasis firmly on 'local'. Our aim is to show the hall as a venue for wedding receptions and parties and to give local businesses the opportunity to show you what they can do to make your big day extra special. Did you know that the hall can be transformed to look like the best marquee around at a fraction of the cost? Do you realise how many local people are providing everything needed to tailor the day to make all your dreams come true? Come along and see what is on offer on **Sunday October 6<sup>th</sup>** from 11am to 4pm at

the New Beaconsfield Hall, Shipton-Under-Wychwood.

If you would like to exhibit please contact either Heather Edwards [heatheredwards67@icloud.com](mailto:heatheredwards67@icloud.com)

or Christine Halliday [christine@sinnelsfield.co.uk](mailto:christine@sinnelsfield.co.uk)

We will be happy to send you further details and an application form. We plan to have large table displays in the main hall and smaller tables in the small function room, but space is limited so if you are interested please get in touch sooner rather than later.
