

David Hills Trust Golf Day

In lovely weather, forty eight people took to the Wychwood Course and were joined by another 24 guests for the supper. The speaker was Ben Rowlands, Chairman of the Toynbee Trust, whose work for children in the East End of London is supported by the David Hills Trust. The golf and the raffle, supplemented by some very generous donations, raised £1,375.

First prize went to Rob Mason, an old and dear friend of David Hills, and second and third were Terri Austin and Keith Green. The team competition for the David Hills Trophy was won by K Green, J Lambe, and J Nixon, inspiringly led once more by Charlie Ferguson. Special prizes for 'Nearest the Pin' went to Rory Colleton

and Beverley Hopkins for the 'Longest Drive'. This was for the second time: she won it three years ago after having taken up golf only a few months before. Ben and Scott, still at school, won extra prizes for being such diligent supporters of the golf day and the youngest there. Special thanks must go to Wychwood Golf

Club staff who had prepared the course beautifully and for the fine meal in the evening, and to local businesses and individuals who generously provided some excellent raffle prizes. The picture shows the claret jug awarded to the winning team on the Golf Day. It can be seen in the Lamb Inn in Shipton-under-Wychwood.

The FWP Matthews Mill Shop The Shipton Bake-Off

We have just opened a smart purpose - built shop. It has taken the family over 100 years to get there but it has been worth the wait!

With the interest in home-baking brought about by TV programmes such as the *Great British Bake Off* demand for our flour from the home baker

has rocketed, hence our new shop. Do call in to see us.

As well as flour we will stock everything for the home baker and some of the products made from our flour throughout the UK, for example

biscuits from both Scotland and Dorset.
