### Give a Cooker a Good Home

As the main users of the kitchens at the New Beaconsfield Hall in Shipton, the Day Centre are delighted to have been awarded a grant to replace the cooker in the kitchen with one more suitable to their needs.

The Hall committee find themselves with a hardly-used, all-electric Rangemaster cooker to re-house. It can be viewed at any time when the hall is open. Offers in the region of £250 considered; buyer must arrange removal.

### What is Oxfordshire Advocacy?

Oxfordshire Advocacy is an independent, confidential free service that helps adults living in Oxfordshire to get their voice heard and their wishes taken into account. Our volunteer advocates work with people who need support in a meeting, writing a letter or making a complaint, or making sure that correct procedures are followed. Recently we have provided advocates for a man with severe depression to attend a medical assessment to check his eligibility for benefits and the

wife of a man with dementia who is struggling to access enough support so that she can continue to look after him at home

If you would like to find out more about volunteering for OA please contact us on: Tel: 01865 741200, email: [jacinta.sands@oadg.org.uk](mailto:jacinta.sands@oadg.org.uk), or look at our website on [www.gettingheard.org](http://www.gettingheard.org)
