

Wychwood Players Present...

ALLO ALLO!

The Wychwood Players present *ALLO ALLO* by Jeremy Lloyd and David Croft with René's Sausage Supper! The Beaconsfield Hall will be dressed as René's cafe and the audience will be served at René's Bar! French attire optional! Rehearsals have already started and the set is being constructed. The German officers and pretty waitresses and the odd colourful parrot seller are lurking behind the scenes. The sounds of Michele's "I shall say this only once" and Crabtree's "Good Moaning" are already

ringing in our ears. Gruber and René are chatting together and Edith and her Mother are entertaining the British Airmen upstairs! What more could you want? As you can imagine rehearsals are hysterical and we are determined to bring yet another fun way of delivering this wonderful iconic T.V. comedy to our loyal audiences.

Tickets go on sale on **21st October** from Beryl on: 07776029871.
Show dates are **28th-29th-30th November at 7pm**

Theatre Workshops for Children

Mandyrae Large will hopefully be running children's fun workshops in the half - term holidays. These will include puppet and mask making, costume design, story and poetry writing and cartoon

drawing to name but a few. If you are interested or would like more information please contact her on: 01993 830988 or email doolallybird@btinternet.com

Places will be limited.

Be Smart when you buy Firewood

Please buy from a local supplier, as this minimises 'fuel miles' and supports local businesses. Ask your supplier whether they provide **OxLogs** which are the Oxford quality standard for woodfuel. You should know what weight or volume you are getting, not just 'a load'; whether it is soft or hardwood, a hardwood log has more energy than a softwood log of the same size, and how long the logs are. Wood with a high moisture content (it should be 25% or less) will burn badly.

Last summer was terrible for drying wood, but this year has been much better. **L4L** matches up woodland owners whose woodlands need managing with people who are willing to help out in return for logs

The **Oxfordshire Woodfuel Programme** is organising a series of L4L events for the autumn and winter. If you would like to make either a log or a labour offer, contact manager@oxonwoodfuel.org.
