

Reasons to Celebrate

We are sure that Ron and Kay Field hold the Wychwood record for 'longest married couple' and over recent years *The Wychwood* has taken the opportunity to congratulate them.

Kay will be 94 in April and Ron will celebrate his 97th birthday in May. We wish them both very happy birthdays and

hope there is a party planned.

Ron is an Oxfordian through and through and Kay claims to be 75% local as she had many relatives in local villages and as a child spent school holidays with her grandmother in Fifield. They moved to Milton in 1974, so that makes this year

their Ruby anniversary - another reason to celebrate!

Ron still goes on the bus to Banbury and Witney to do the weekly shopping. He also does the housework - no wonder Kay has hung on to him for so many years.

Kay makes and decorates beautiful celebration cakes. She

recently made several Christmas cakes for friends and family.

We look forward to congratulating this lovely couple again in October when they will have been married for 75 years. Now that takes some beating.

Bigger and Better: Leaffield Fête 2014

Following on from our success last year we are planning an even bigger and better Leaffield fête for 2014.

The afternoon will open with a procession of classic cars from the village hall to the village green. If all goes well the Red Arrows display team will delight the crowds with a spectacular fly-past. We will be holding another dog show too, so start polishing

your pooch! We have all the usual tombola, books, cakes, white elephant stalls, plus an auction of promises and a grand raffle.

Sunday 29th June from 1:30pm until 4:30pm is the date and time,

so put it in your diary now. We are counting on you to come along and join in the fun. See you all there!
