

Make the Batter Matter

Great British Fish and Chip Supper

Would you like to eat Fish and Chips, while raising money for charity? Hold a fish and chip supper on **Friday 16th May** and you will be supporting spinal cord injury and SIA's vital services.

You can hold a fish and chip supper in your own home, at work or plan a larger supper at your local community centre.

Fund-raising Pack

SIA will provide a fund raising pack containing hints and tips, recipes, invitations and donation envelopes. By inviting eight friends and asking them to donate an additional £5.00 you will raise at least £40.00 from your supper. In 2014 SIA is celebrating its 40th anniversary and so we want to make the batter matter and raise £25,000 from everyone holding suppers. Last year we raised £12,500 from the suppers.

The money raised from the suppers will help the Spinal Injuries Association offer support to individuals who become paralysed and their families, from the moment a spinal injury occurs, and for the rest of their

lives by providing services and publications which enable and encourage paralysed people to rebuild lives after spinal cord injury.

Spinal Cord Injury

Every year in the UK over 1,000 people experience a spinal cord injury and there are an estimated 40,000 spinal cord injured people in the UK alone.

A Conversation with Indiana

How DO you pronounce 'Wychwood'?

The magazine website was recently visited by Mr Thomas Huckstep of Noblesville Indiana, US saying;

"The street in which my new home is located is called Wychwood Place. How do you pronounce Wychwood? Is it WICKwood or WICHwood?"

We replied that here we pronounce the Wych of Wychwood like Witch and referred him to the Wikipedia entry on the Wychwoods. He replied; *"Thank you. I*

had conflicting pronunciations from two or three sources on the internet. My wife and I find the Wychwoods story to be interesting as we study genealogy and have strong ancestral roots in the British Isles. And besides you have a world-famous brewery there! We hope to visit when we are taking a genealogy research trip in the future. Be well"
