

News from Burford School

We are delighted that all those Year 6 pupils who applied to join us at Burford School this coming September have been successful in their applications. We are now looking forward to welcoming them to our induction days in July, helping to ensure an easy transition from primary to secondary.

£25 per family.
Adults £10. U16s:
£7.

Alumni News

John Church, a former pupil of Burford School from 2005 to 2010 (see photograph), has been selected to represent Great Britain at the biennial International

Tetrathlon Championships in Perth, Australia from 5th to 20th July 2014. Good luck John! We will be rooting for you.

We have some great events planned for our Year 5 Enrichment days in June, further developing relations with the pupils from our Partnership Schools.

Beyond Exams

Whilst our priority throughout May has been to focus on exams, we have found time to enjoy a toe-tapping production of *Alice in Medialand* from the Drama department. We also held a Danceathon which raised £4,400 for our Uganda Link, and two groups of students went to France - one to Calais and the other to the World War I Battlefields.

Looking Forward

Fingers are crossed for fine weather through June and July. We are holding a **Countryside Day** on **20th June** when we shall officially open our 'Outdoor Classroom'. Our musicians are off to Wales for their annual Music Residential and plans are well underway for our **Prom** on **18th July**. Tickets are available from: sa9211@burford.oxon.sch.uk

News from the PTA

Huge thanks go to all those who donated items for our Grand Auction at the end of April and also to those who supported and attended. We had a wonderful evening and raised £1,600.

Former Poet Laureate to Visit

Our next event is an evening with Sir Andrew Motion who will be giving a talk on **20th June** at 6pm. Tickets are available from reception or from the Madhatter Bookshop in Burford. Adults: £5, Concessions: £3, Under 18s: £1.
