

Leave All the Rest Come to The Best

The summer festival season is fast approaching. The only problem with these festivals is that they are very expensive and you may not like all the acts. Well now is your chance to enjoy a local festival at a reasonable price featuring a variety of talent from the Wychwoods.

Local Talent

Admittedly our festival only lasts half a day but is packed with variety. We will be featuring six local bands, including three Rock School bands, the Saplings, two young talent solo singers, The Wychwood singers, Mark Pidgeon, Mark Jessey and Dorothy Carrington. What a great line up! The event is being held **on Saturday 28th June** at The New Beaconsfield Hall in Shipton. Doors open at 3:30pm with the show starting at 4pm. Like all good festivals there will be refreshments, including a licensed bar together with a

barbecue. There will be time to enjoy a picnic around six o'clock. This is a nice opportunity to see the musical talent of the Wychwoods and all for £3 per adult and £1 for children under 16.

Profits for SSAFA

As the event is taking place on Armed Forces Day we will donate any profits from the event to SSAFA, a charity supporting all the armed forces. This is the first time we have held any event showing so much local talent. If it is successful we hope it might be an annual festival. So why not come along have a drink and listen, and who knows have a little dance?

The food was delicious, the company warm and friendly and the whole evening a delight.
