Fundraising in Fifield

Congratulations to Mary Champness for all her hard work with the lunch on Saturday 17th May which was a great success, raising £235 for Church funds. Congratulations to John and Pat Yaxley, Shelagh Field, Tina Palmer and everyone who helped them put on a lunch on Sunday 8th June; they raised £568 for Church funds.

Fundraising Dinner

Please come and join us for the **Indian Summer Dinner** under canvas in the gardens of **Fifield House on Saturday 9th August**.

It is one of the events that are being run in place of the fete this year. We are hoping that it will be a fun event - with kind weather - but we do have a wet weather contingency! The meal will be Indian - with a range of dishes and accompaniments - both meat and vegetarian, concentrating on Indian flavours, with one spicier dish. We are sure that there will be something to suit everyone's palate. We are also happy to

accommodate special dietary requirements wherever possible, just let us know in advance when you book. There will be a bar selling wine, beer and soft drinks. Tickets cost £20 each to include the three course meal and a glass of bubbly on arrival. Email: fifielddinner@outlook.com to book or call Rachel on: 01993 832484, Lucy on: 01993 830479 or Anabel on: 01993 831080, who look forward to seeing you there.

Macmillan Coffee Morning

I do hope everyone has the date in their diary – **Saturday 27th September** 10am to Noon in the Parish Hall for this well known and most worthwhile cause. Anyone who has ever known anyone with cancer will surely want to contribute. There will be coffee with home-made biscuits and cakes, as well as cakes for sale and, of course, a raffle. Do contact Catherine Hitchens to offer help and make contributions.

Kingham and the Wychwoods Rotary Club

The summer sees a new Rotary year when we change round the various roles in the club, review what we are doing and seek new members who bring new ideas, enthusiasm and friendships.

We are a lively, 'young' mixed club of people who enjoy each other's company, have fun together while putting something back to the local community and Rotary International projects like the eradication of Polio. We meet three times per month on **Mondays**, as well as working together on fundraising events and local community work. It is fun and all ages and backgrounds are welcome. If you

would like to find out what we are about, call Mike Clark on: 01451 830684 - we don't bite!

Global Warming: Is it all hot air?

This is the title for what, without doubt, will be an interesting presentation by Paul Carlin, the Physics Master at Kingham Hill School, on **Monday September 8th**. The public are always welcome at our Speaker evenings and can join the club for dinner if they wish, see www.kinghamrotary.org.uk for more details.
