

Witchwood School of Rock: The Big Gathering

Twice a year the rock school holds its **Big Gathering** at New Beaconsfield Hall on the days of the summer and winter solstice. This gives bands an opportunity to perform in a relaxed

environment, more attuned to an open music event than a full-on rock concert. At this gathering 28 bands performed, so over 80 children took part. Band names varied from *RockSolid* to *Lights Out* and the very popular *Abducted by the Inappropriate*. Not only was there live music but also the hugely popular rock auctions were a big part of the day. All students who attend rock school earn 'Rock Dosh' through the term as part of

the rock school loyalty scheme - it is a bit like the Tesco club card! The young rockers then get the opportunity to buy guitars, drum sticks, guitar tuners and the ever popular tattoo

sleeves with their well earned 'Rock Dosh'. The next rock school Big Gathering will be held at NBH on **Sunday 21st December 2014**.

Witchwood School of Rock will be offering summer holiday workshops at New Beaconsfield Hall. Ages start from six years and beginners are welcomed. Contact Lee for more details on: 01993 832216. www.witchwoodrock.com
