

The Wychwood Tennis Club

On Sunday 29th June the tennis club held an Open Morning as part of the Lawn Tennis Association's national 'Great British Tennis Weekend' campaign. All over the country, tennis clubs hosted similar events during the middle week of Wimbledon to enable players or potential players to have free tennis sessions. We ran sessions for all ages and abilities throughout the morning with our tennis coaches and club members on hand. There was a mixture of coached and free-play sessions with a 'service speed gun' challenge and a free BBQ for all. There was also a demonstration by both our

Men's and Ladies' 'A' teams. We had nearly 50 attending ranging from as young as 5 to, well, a little older! With the sun shining too, the morning was a great success with a lot of worn out children (and parents).

The club is always open to new members. If you are interested in tennis why not see what we have to offer for all ages and abilities by contacting Anita Hollingdale Membership Secretary: 01993 830743 or our website at

Roger Hollingdale (Chairman)

15th Annual Wychwood Forest Fair

Sunday 7th September, Cornbury Park

Set in majestic parkland in the heart of the ancient Wychwood Forest this is a truly inspiring setting for West Oxfordshire's leading Country Show. Entertainers will be there to make it a Family Day Out, including Morris Dancers, Storyteller, Aunt Sally, Ferret Racing, Coconut Shy, Hatwell's Fun Fair, and other Children's Games. Local food producers will be much in evidence and refreshments from Witney Rotary Club, Rico's Pizza Shack, and John Kench's Barbecue, to vegetarian food with an eastern twist, and local ice cream, all of which can be eaten whilst listening to the Witney Town Band. The Wychwood Tea Tent, and Bar supplied by Wychwood Brewery will be kept busy.

The Wychwood Project aims to inspire people to conserve and restore our unique local landscapes and habitats. Some 30 community and conservation groups will be promoting ways of 'doing your bit' for the environment and for your community. Local businesses will be showcasing their products and services and in the ever-popular Rural Craft Area there will be demonstrations of dry-stone walling, hedge laying, beekeeping and basket making.

All the profit from the event will go towards the Wychwood Project for its work of "Restoring Landscapes, Inspiring People".

All the Fun of a Rural Fair
