

Wychwood Wild Garden

Calling All Photographers - Help Us Produce a Wild Garden Calendar for 2013!

We are looking for distinctive photographs to illustrate each month of the 2013 Calendar. Whether a tree, a plant, an animal or a feature; just the right atmosphere or tone or some other way of illustrating the month – it's up to your own imagination.

Please take the photographs at as high a resolution as you can manage. You can submit as many or as few as you like.

All entries should be sent to:

Wychwood Wild Garden Calendar
c/o Terry Wigley
34 Plum Lane
Shipton under Wychwood
Oxfordshire OX7 6DZ

To be received no later than **30th September 2012**

All entries should be landscape format and printed in colour on high quality photographic paper, 9 inch by 6 inch. Please print your name, address, telephone number and the illustrated month on the back of the print.

Once the entries have been judged and final 12 decided we will then go back to selected photographers and ask them for a copy of the picture on disc. For this to happen, please retain your entries on file until the calendar is produced.

The final calendar will feature the best of the photographers that we receive and each will be acknowledged.
